

In Case Of
Emergency

~ SURVEY ~

Currently during an emergency the Shire of Chittering liaises with the Community via incoming phone calls and through their Facebook page, as these are thought to be the most timely methods of communication.

We are seeking your feedback on ways that we might improve upon this.

Thank you for your time in assisting with our research. Please complete the survey online or return your hard copy to the Shire by 16 January 2015.

For more information please contact the Shire's Economic Development / Communications Officer, Karen Dore;
